NOT A PUMP BOTTLE!

Reviewed in the United States on November 12, 2020

Verified Purchase

Somewhat deceptive sales technique. They have a photo of the pump bottle, but down in the print it says, "NOT A PUMP BOTTLE, as shown". Then, why not show the consumer what you will actually be getting: a bottle of the product, with no pump dispenser? Not pleased with this.

Great product

I bought a Sunmar composting toilet a few years ago. The first year everything went fine, after that it went downhill. It wasn't working great and stunk. I finally realized I needed to get the Sunmar products. I'm so glad I did, we are back on track to a no-smell composting toilet. BUY IT! This stuff

works wonders.

★★☆☆☆ **Innacurate photo**

Reviewed in the United States on December 10, 2020

Verified Purchase

Please remove the photo of a pump spray bottle if you do not provide one. Also, the instructions on the bottle refer to a spray or pump and you are not providing one, you have failed. I can't gauge the efficacy of this product as I cannot use it according to provided instructions.

★★★★★ **Good product**

Reviewed in the United States on October 17, 2017

This product cleans our SunMar toilet nicely. I don't know how effective it actually is on the composting, because I refuse to look that closely, but I know we have no odor problem at all, and everything seems to be breaking down well.
